ÜRÜN KATALOĞU

PRODUCT CATALOG

Bir stand kurulumu ne kadar kolay olabilir?

How easy can a stand be to set up?

EES XpoWall, hafif ve modüler yapısı sayesinde kullanıcıların standlarını kolayca taşıyıp herhangi bir alet gerektirmeden kurmalarına olanak tanır, böylece kurulum maliyetlerini düşürmelerini sağlar. İhtiyaca göre genişletilebilen esnek tasarımı, yatırımın en üst düzeye çıkarılmasına yardımcı olur. Pratik kurulumu ve taşınabilirliği ile fuarlar, sergiler ve profesyonel etkinlikler için ideal bir çözümdür.

EES XpoWall, thanks to its lightweight and modular structure, allows users to easily transport and install their stands without requiring any tools, thus reducing installation costs. Its flexible design, which can be expanded according to need, helps maximize investment. With its practical installation and portability, it is an ideal solution for fairs, exhibitions and professional events.

Stand modüllerimiz

Our stand modules

Modul 100
100cmx100cm

Modul 200
100cmx200cm

Modul 250
100cmx250cm

Çok Hafif
Very Light

EES Lite, ürün modülleri bir kişinin taşıyabileceği çok hafif ürünlerdir.

EES Lite product modules are very lightweight products that can be carried by one person.

Aletsiz Kurulum
Tool-less Installation

Modülleri alet gerektirmeden kolay kurulum yapabilirsiniz.

You can easily install the modules without requiring any tools.

Modüler Yapı
Modular Structure

Modüler yapısı sayesinde birden fazla birleşim ile stand kurulumu yapılabilir.

Thanks to its modular structure, stand installation can be done with more than one combination.

Hangi bağlantı türleri mevcuttur?

What types of connections are available?

EES XpoWall modüllerini birleştirmek ve farklı stand tasarımları oluşturmak için çeşitli bağlantı aparatları kullanılmaktadır. Bu bağlantı elemanları sayesinde EES Lite standları, ihtiyaca göre özelleştirilebilir ve farklı etkinliklere kolayca uyum sağlayabilir.

Various connection devices are used to combine EES XpoWall modules and create different stand designs. Thanks to these connection elements, EES Lite stands can be customized according to need and easily adapt to different events.
